MONDAY, NOVEMBER 78, 1846.

The American Art-Union.

We invite the attention of the readers of this paper to the Association whose name we have laced at the head of this notice, believing that they will regard it with interpet, and hoping that many of them may be desposed to earol York.

The American Art Union is an Association for Lincoln encouraging artists and for promoting the Fine Hannock Arts in the United States. Its exertions have Washington been directed to painting, engraving and sculp. Kennebec ture, principally the former two. The Rooms Oxford, sessociation are at 322, Broadway, New York, but its members are found in all the Penobacot, States of our flower. States of our Union It is managed by gentle men who are not themselves utuns, and who Puscatequis, have no privileges beyond the other members, Arosatook, vices. There are more than one hundred Bonorary Secretaries, who act as agents for the Instatution, and who are scattered over every State and Territory in our constry Theodore Bank, in this city, has recently been appointed zon of Bangor, and there will probably be no to this office, and we earnestly invite our fellow talling off in the interest, as the Doctor gen partake of its benefits, by becoming the support of Asimals, was a learned and inmembers, to call upon Mr "Dodd, for those put- teresting production and happily calculated to

for the Fine Arts, especially in Paintings and Engravings, or the private and individual grati- IPOn Wednesday night last the high wind ficution they must receive from such culture, blew over a partially finished two story building but we may say what we believe as capable of belonging to Mr. Mark Ellison. We under demonstration, that one of the most certain and stand that most of the little capital of Mr. Elli ness, violence and outrage, and an all grasping jury it received, the frame having been greatly receive no pleasure from bachanalian revels, or ent instance, and let the man go forward re night orgies and dissipation, from street broils joicing

But we are straying from our subject, which il Circular we give the extracts which follow subscription, while at the same time, he has a denre, of figuring in public life

"This Association was incorporated by the ble of proof Legislature of New York, for the promotion of the Fine Arts in the United States" holding forth

tuting and conducting it

These works of Art—the Pointings being Nothing could escape him, and every subject,

richly framed are publicly distributed by fot, which came up, "he let into, until his appear among all the members, on the Friday before ance on the floor, was regarded with sidicule by Christmas in each year, every member having some, and anformed disgust by the remain

smong all the members, on the Friday before the same on the Hoor, was regarded while remain one share for every five dollars paid by hom "Each member is thus certain of receiving in return the value of the five dollars, and has also a chance of drawing a painting or other work of Art of great value the income of the Art Union, last year, was more than \$16,900, and the number of paintings distributed by the number of paintings distributed in the number of paintings and the number of paintings distributed in the number of paintings and the number of painting of the number of paintings and the number of paintings and the number of painting of the number of painting of the number of paintings and the number of painting of the n

Farmer's Rooning ' and 'The Escape of Capt Wharton,' in 1844, "Sparking, in 1845, he lives Such a man is a diagrace to himself but when the city Marshal found him at Ornon, "The Capture of Major Andre," and fair the present year it is to be "The Parting of Sir Capture of Major Andre," and fair the present year it is to be "The Parting of Sir Capture of Major Andre," and fair the present year it is to be "The Parting of Sir Capture of Major Andre," and fair the present year it is to be "The Sincerel's Alter prisoner; of his execution."

We successfully hope that many of our cutzens which, must stick to him while but when the city Marshal found him at Ornon, as he was not of the deceased. He did go the title stigms of which, must stick to him while but when the city Marshal found him at Ornon, as he is a found of the deceased. He did go the title process to the solid system of protection, will for Colds Coughs, Condamption, and all is fect tones of the Throat and Lungs; so did not appropriate to the Successful his party, and to his religion Of all public the notice to the sons, but had put up his horse and was received begin to off the We hours or more afterwards, he had not given the notice to the sons, but had put up his horse and was received begin to off the We hours or more afterwards, he had not given the notice to the sons, but had put up his horse and was received begin to over the Book to Ecolds Coughs, Condamption, and all is feet tones of the Throat and Lungs; so did not not son the Hallowen Apples from 23.

Vol. 50 1 1986-4166 07 10000

Oo 1Tees, 1846. STATE vo. EZRA CANNET tent for the Murder of Mil Surah E son at Orono Resent, Surrery and Tannay, Justices The case upon the facts, was one of consider

Whife and Ab

Comberland

able interest, as a case of circumstantial evidence. The substance of the testimony was, that Mrs. Sarah Emerson, a widew, aged about 68, lived with her son, Timothy, who was unmatried, in the town of Orono, was secluded neighbothood - that the family consuled of herthat the presumer had worked for our Emerson about one month shat he had bequired at ditferent times of the boy and another son of the decreated, about the money of the son and moth was on Tuesday the 14th of April, the prisoner settled with Emerson, and the mose evening paid went out and brought in her pocket, book and made change. The pruoner knew that Emer —and in fact Emerion and full the men of the meeting 8 or 10 miles distant on Tursday On delivered by Dr McRuer, of this city. This Tuesday morning before breakfast, the prisoner S Dodd, Esq. Cashier of the Kenduskeag will be the first leature of this season by a citil left Timothy Emerson s and went to another house, about 100 rode distance, where he had agreed to work- that he took brenklast and then went into the woods to cut wood—that about past 8 he returned to the we are able here to tell them, or who may land, upon the destruction of Manmal Like for house and said he could not split the wood, it was hard, and that he had a lame shoulder-the awaken thought It is highly gratifying to find she would bathe his shoulder-he declined and ft is surely no light guaranty for the charge men so actively employed in an arduous profer of the institution that its President is our fession as is Judge Shepley, yet disposed to turn the would go up to Timothy a and get ande, for the purpose of promoting the intellect some opedeldoc that he had in his chest there, We cannot here attempt to show the good tual advancement, and the social pleasure of and also he would see Timothy about a scraper went to Tonothy's When he arrived there. Timbis chest in Bangar. This before he went into the house. The boy and the deceased were Diere-this shoul 9 tion of a taste for works in the Fine Ails. The pie like to encourage industry and enterprise the boy started to go away and man who has a taste for these productions will we hope they will give a little lift in the pies. side, the deceased in the door talking with him all Complex we say the extracts which follows are more conspicuous than the Rev Mr was that after an absence of an hour or hour The boy did not return, but went down the road, a mile or more. The next fact testified to Parker from Golden Ridge I propose to enlighten and one half, the prisoner returned to the place It will be seen that every subscriber of are one your readers Mr Ed tor, with a low passages in this becomes, by that act, a member for one the history of this political divine-willustrating as year, and m sure to receive, free of expanse, a they do, in a beautiful manner, how easy a manor and her son at work in the field, splended Engraving, of the full value of his sacrafice his principles and her religion, to a vain and do a little to help them—that he ded not chance for drawing a fine Painting splendidly

That this Mr Parker has changed his politics from \$20 to \$350,—or even for office is well known by his own constituents

more

and the facts i an about to state are susception. -and the facts I am about to state are suscept.

This Ass ciation was incorporated by the segislature of New York, for the promotion of the First Asts in the United States.

The following is the plan pursued in constituting and conducting it.

Every subscriber of five dollars is a member. --- and the facts I am about to state are suscepti-"Every subscriber of five dollars is a member lected by some of the staunchest Whigs in that only fainted—if killed, the Indian might have or the year district as a candidate to receive it them to the killed her. The woman, her son and prisoner and shorter thus obtained, after paying necessary expenses, is applied in the first instance to the production of a large and costly original Engrang, in the highest style of American Art.

Art of the production of a large and costly original Engrang, in the highest style of American the day of election, that he had gone over to the types peers for a literature. The analysis of the production of the first instance in the production of a large and costly original than the had gone over to the eleven wounds on the head, several of which appreciated that a streamont of the production of the first instance.

All our accounts from V appreciated that a streamont of the production of the first instance in the production of a large and costly original to the first instance. The woman, her son and prisoner to the went up to the house of Trimothy There the deceased was found on the floor, with the original to the first instance.

All our accounts from V appreciate the production of the first instance in the production of a large and costly original to the first instance. The production of a large and costly original to the first instance in the production of a large and costly original to the first instance. The production of the first instance is the production of the first instance in the production of a large and costly original to the first instance in the production of a large and costly original to the first instance in the production of the first instance in the pr Engraving, in the dighest style of American Art. Planting, required of him Ris variet though be was, to go for any butchase of American works of Art.—Planting, required of him Ris variety throughout the Englishment of the money w applied to the members, &c.,—varying in pince from twenty sees to the money were from twenty.

All our accounts from Washington lead us to apprehend that a strenuous effort will be made at the coming session of Congress to impose a sheavy duty upon tea and coffee, and some other articles, not of doinestic growth, which are now duty free, in ord r to sustain the expense of the war. We can hardly conceive of a more suct dal plan of raising revenue, on the part of the Government. As these free articles are not of the growth or produce of this country ard have no doinestic supply to come into competition. and oursette supply to come into competition with the foreign import, such a duty will operate as a durect tax upon the people, and a tax, too, in the most offensive chape, for it will be levied in the inverse ratio of the wealth of those paying it. The powers people in the country use those structes or freely, almost us the rich, and any large addition to the every will be not alpture, &c., -varying in price from twenty session, was only equalled by his hypotrisy were two bags one of which contained [1] dol several hundred dollars return the value of the five dollars, and has also a chance of drawing a painting or other work of Art of great value. The income of the PArt Union, last year, was most than \$16,900, and the number of paintings distributed \$123\$.

"The Art Union Rooms also contains fine Paintings, and is always hong with Paintings, and is always hong with the figure the cut there. The Committee have already purchased several pictures of great value, Value of the requirement of the large and the contains of the several pictures of great value, Value of the several pictures of parting with the Suparsing for 1866, "Sir Walter Rabeing parting with its Wite on the morating of his execution, from Leutes of the picture, is not expected by 165, and the prevaining religous exervee, but with the reference for the Edonorary Secretaires in their vicinity, to whom they will be sent at the expense of the Edonorary Secretaires in their vicinity, to whom they will be sent at the expense of the Edonorary Secretaires was "General Marting to have for the services, which he or professed to regret, the proceeded to the Sabbath school, and obtained an additional many that is a contained in the house not over three minuts of the was told to go to Bangor and give, notice and the was told to go to Bangor and give, notice and the was told to go to Bangor and give, notice and the was told to go to Bangor and give, notice and the was told to go to Bangor and give, notice and the was told to go to Bangor and give, notice and the was told to go to Bangor and give, notice and the search to contain the search of the was told to go to Bangor and give, notice and the search to contain the search to contain the search to the was told to go to Bangor and give, notice and the was told to go to Bangor and give, notice and the was told to go to Bangor and give, notice and the was told
